Sir,

In continuation of this office letter no A-7-190/27-28 of the 30th November 1927, stating that proposals for the appointment of a Chief officer to the Taluk Municipal Council will be submitted separately, I have the honor to state that I have already reported on completion no A-7-190/27-28 on the 11th Nov 1927

that the individual to be selected for the place must be an officer with experience of executive work and knowledge of sanitation and engineering. None of the many usually noted candidates who have applied for the post possesses these qualifications. The municipal Council have suggested the name of Mr K. Prasad, but he is a young man who has just started practice as a lawyer in Tiptur. He has no experience of office or executive work, and is not at all suitable for employment as the executive officer of the

1 Mr H T Sampathu Kumarachar, Retired Sub Registrar
2 " K Prasad, B.A. B.L
3 " H Venkatesamurti, Sub Registrar Hanyarabad

Mr G. K. Mallappa

who has been elected as Chairman is young and inexperienced in administrative matters, and if he is to have a successful term of office, it is necessary to give him the aid of a competent officer. The only officer in the District whom I can think of for the place is Mr T Madhava Rao, Head Clerk of the Tumkur District Boards office. He is drawing a pay of Rs 80 in the Grade of Rs 80-4-100 and possesses all the qualifications necessary. He has served as a Sanitary Inspector of the Hassan Town for a long period of nine years. He has tact and is, besides, quite active

and energetic. His Service Register is enclosed for perusal.

2. If this proposal is not acceptable to Government any other suitable candidate with sufficient energy, integrity and experience may be selected by Government.
